Look to the Horizon

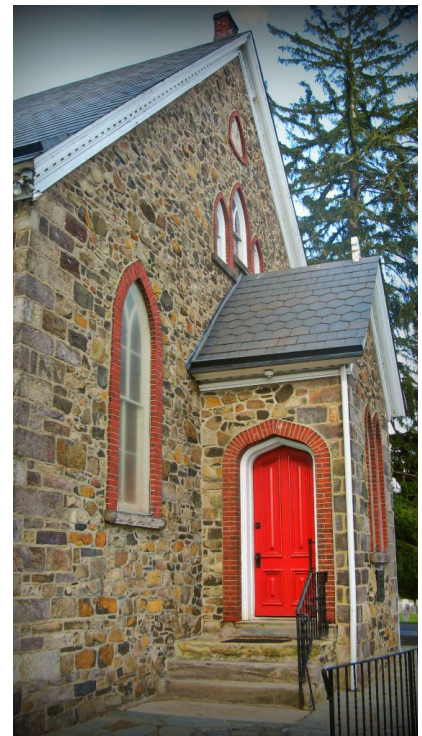

Rev. Stephanie Templin Ashford

Whenever we are on a long car ride and someone starts to feel a little queasy in the stomach, I have instinctually been taught to say:

Look to the horizon.

Find the spot where the earth meets the sky and you will feel better. I suppose it's just one of those things you collect along your journey as a helpful hint. The truth is that when you are in a moving vessel, whether it is a plane or boat or car, it is hard for your ears and your eyes to get a sense of equilibrium. Everything is wobbly and unsettled. Focusing on the horizon helps to reset everything and remind you of where you are headed.

We have certainly been in wobbly days and even though there is a deep desire for steadiness and normalcy, we aren't guaranteed that this ride will calm down anytime soon. And so, instead of worrying about when covid guidelines will change or when we will start to see infection rates lower, instead of focusing on all that is unsettling us, I believe that if we look out the window and focus on the place where heaven meets earth, if we focus on the horizon, we will be able to remember that our journey is not on hold and our work as a church must go on. (Continues on page 2)

Horizons (con't)

Just because the journey doesn't look or feel like you imagined, doesn't mean it isn't headed somewhere amazing.

I think those words apply to everything I have thought or felt over my tenure here. I imagined a sprint right out the gate, full of programs and outreach and new mission projects and hustle and bustle. But, if I allowed the unsteadiness of these days to chart our course, we would not be ready for this amazing new program year, full of new children's programs, new youth events, new studies, new events and new opportunities to focus on what is in store for the future of this church.

Hebrews 12:2 instructs us to "Fix our eyes on Jesus, the pioneer and perfecter of our faith."

Jesus is our horizon and by placing our eyes on him and what he wants for us, our fears will be calmed and that unsettled feeling can be met by the Prince of Peace himself. Matthew 9:62 says that "if a farmer waits for perfect weather, they will never plant." And so we will plant and plan for our future.

Knowing these truths, we will boldly enter this fall, confident of the spirit of God that is so alive in this place and in our lives, even in bumpy weather. Over the next few months, we will be blessed by new plans and ideas from the Long Range Planning Committee, we will live into our new Sunday morning schedule, and we will continue to look forward and live into future of our church.

It is my utmost joy to serve you and my complete confidence that we can trust our future to the One who has it all under control.

Blessings,

Stephanie

For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all. So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal. 2 Corinthians 4:17-18 (NIV)

THEOLOGY ON TAP

Starting Sept. 29th

Fall Topic: Young Christians
Leaving the Church

Theology on Tap

Join us for another round of Theology on Tap, with this fall's focus text *You Lost Me* by David Kinnaman. This book takes a deep dive into the challenges many face trying to keep youth in the church, and looks at the many sources of why young people are making the choice to leave the Church.

Spiritual Direction

What is Spiritual Direction?

Stephanie Templin Ashford

On every retreat I have attended, even as a youth, I loved the spaces for quiet time and contemplation. The space away from the singing and talking (which I also love!) has always felt so sacred. It has taken me many years to develop a strong and consistent spiritual discipline.

Now, I welcome the early hours in prayer when the house is quiet and the day is fresh. Likely there are days when your name is on my lips as I offer praises and concerns to God. Over the past two years, I have benefited greatly from walking closely with my own spiritual director. I meet with her monthly and she guides me into a holy space where I learn to listen more deeply for God's meaning for my life.

A few months ago I saw an advertisement to enter a Spiritual Direction program through Oasis Ministries, an affiliate of Princeton Seminary. I applied for the program and I was accepted. The program consists of an opening prayer retreat (September 25-26), a closing retreat in May, and a monthly meeting with other people in my cohort. Honestly, I knew I needed more time in silence and prayer in my life and the structure offered in this program will help me to carve out room in my schedule in an intentional way. Throughout the program, I look forward to sharing new ideas and practices of contemplation with you.

For those who are curious, Spiritual Direction is not counseling, but instead, it is a practice of meditation and focus to listen to a deeper core and to learn to be able to block out the noise of the world to find truth and peace through Christian spiritual practice.

If you would like to learn alongside me and would like a copy of the list of books I am reading, I'm happy to share!

Vacation Bible School

ROCKY RAILWAY VBS JULY 12-16

What an incredible week we had at Vacation Bible School this summer!

47 kids aged 4-12 years old gathered for a week of music, art, bible study, creativity, and games. It was so wonderful to have our building and grounds a buzz with life and laughter. After a year where we had not been able to do children's ministry the way we would have liked to it brought me so much joy to be able to teach God's Word and have some fun with the children of our church and our community.

The week would not have been possible without all the volunteers who came together to give of their time and talents. I would like to thank the 10 teen helpers, 12 Adult volunteers, and Staff of Thompson who worked so hard to make the camp great!! cannot wait for next summer's VBS! - Pastor Bailey Heckman

CREATION STATION

Each day students made crafts that helped retell the Bible story for the day or would be take home as keepsakes from camp.

MUSIC JUNCTION

In the music class students learned new songs and sang old favorites. They would sing and dance and praise the Lord with their music.

EXPLORATION STATION

This lego and exploration room was a big hit! Students created lego structures that helped them remember the theme for each day.

GAMES STATION

It wouldn't be VBS without time set aside to just have fun running around and playing games. From relay races, slip & slides, parachutes and more this class is always a highlight!

Children's Ministry and Christian Education

Sunday School

Begins September 19

Beginning this fall we will offer a new way to participate in our weekly Sunday School.

Children are invited and encouraged to join their families for the beginning of the worship service. Worship is the foundation of what we do together as a church and so having our children in worship is important to us.

During worship we will offer a Children's Message and then invite students 4 years old through 5th grade to attend Sunday School. All the children will leave the worship space and gather in the Music Room to hear the Bible story for the day, share prayer requests, and sing a song or two together. After that they will head off to their classrooms to dive into the story at an age appropriate level.

NEW SUNDAY SCHOOL CURRICULUM

Celebrate Wonder is a curriculum that seeks to celebrate spirituality through wonder. Children are naturally spiritual beings and everyday theologians. We want children to recognize and name this spirituality found within themselves and in all the world around them. This curriculum seeks to deepen children's faith formation and to create a safe space for children to ask big questions and claim their spiritual identity as children of God.

To register your child for Sunday School please visit tmpc.org/children-ministry

Kids Club

September 17

All elementary aged students are welcome to join us for the first Kid's Club of the new school year on Friday, September 17 at 5:30pm. We will meet in Fellowship hall to have dinner together and then students will have the opportunity to play games and do a service project together.

Please email Bailey Heckman if you have any questions, or go to tmpc.org/children-ministry to sign up.

Youth Update

Pat Kelly

Overview

As I approach my 1 year anniversary at this church, I am very excited to see all of the growth our youth ministry has had. From new faces to new places and new experiences for many, I have seen a lot of exciting life change in our students lives.

We are entering into a new phase in our youth ministry here at Thompson. Our students are eager to grow, to learn more about God and how their relationship with God should shape their lives. This is the perfect time for our church to stand with our students and support them in their growth.

Youth Group Leaders Needed

As the youth ministry continues to provide space for life change, we need people in our church to step up and support our teens. I am looking for adults who are interested in caring for our students, mentoring them, showing them love and support.

You don't need to understand youth culture, but just have a heart for our teens. Our students are eager to learn and grow from people like you! If you are interested, please reach out to Pat at youth@tmpc.org

Thompson Student Ministry

A few weeks back, I revealed to our students a new name and logo for our youth ministry. My desire in this is to create a ministry that really represents our church and our students well, and is something that our students not only feel comfortable, but are excited to share with their friends from school and life. I will also be revealing our youth ministry's vision, with hopes that our students take ownership of their youth ministry and their faith journeys.

Youth Room Remodel Help

Let's face it: basements aren't always the greatest spaces to hang out in. But what makes a basement even worse is when it isn't a very inviting space. Our youth wing in the basement is pretty outdated, and needs some help to make it a space where people will want to spend time in. Here are some of the things we need to help bring the space up to where it should be:

- A 40-50" TV (used/new) for teaching
- Matching couches that aren't stained (new/used)
- A small table for tech (new/used)
- A speaker system for the main youth room (new/used)
- A mini fridge (no taller than 26")

We are also looking for donations that would allow us to purchase new wall decorations that go along with our teaching topics and our trips and retreats. Any and all help is greatly appreciated!

Outreach Opportunities

Earlier this month we received notification that after 19 years of service our bookkeeper, Linda Landis has made the decision to move on from her position at TMPC.

We are so grateful for her faithfulness to the church and her long tenure among us. Linda has been here through many pastors, transitions and changes and as we approach this change in our staff, I hope you will join me in extending good wishes to Linda.

Coffee Hours

During the months from September - May, on Sundays we share fellowship between our worship services with a cup of coffee and a snack. This is a great way to get to know your church friends and it is a great volunteer opportunity. The best way to learn how to run a coffee hour is to tag along with folks you see in the kitchen- ask questions and lend a hand. You will quickly see just how easy it is to be part of this ministry! This is a ministry a family, small group, or a group of friends can do together. Sign up here to host a coffee hour.

Community Meal

Due to Covid restrictions, we do not have plans to return to our community meals when we are masking indoors, so this program is still on pause.

Ministry of Meals

Meals are one of the many ways we shower love on one another here at Thompson. A meal delivered in a time of crisis, ill-health, grief etc. can be a priceless gift. If you would like to be informed when meals are needed in our Thompson family, please send Colleen Koh an email at colleenkoh@gmail.com to be included in sign-up email distribution. Thank you!

Sunday Readers

If you would like to be a part of the worship service by serving as a reader, please see our sign-up link via the e-news.

Wedding Coordinator

Do you love weddings? Are you looking for a fun way to be involved in church? Consider serving on our Wedding Coordinator Team. Members of this team work with the pastors and couples who wish to get married by answering questions they have and helping them at the rehearsal and at the wedding. The coordinator is compensated with a small donation at each wedding.

Kathy Sailer has served faithfully as a Wedding Coordinator for TMPC for so many years and we are very grateful. She will continue to help new people who are interested in this role. For more information contact Pastor Stephanie.

Church Nursery Assistant Volunteers Needed

Our nursery is open on Sundays and we are in need of a volunteer to assist the nursery attendant during and in between our 9:00 and 11:00 am services. Please sign up by following this link in the e-news or see the paper copy on the Table of Well Wishing. Thank you for your help. The children of TMPC and their parents are so grateful.
